

2026 Prefinished Cyclamen Program

Shoulder Season Sales

Our prefinished cyclamen offer a hardy, low-maintenance crop that thrives in cool conditions—ideal for shoulder season sales! With Tagawa's offering of a wide range of top-performing series and colors, cyclamen provide long-lasting blooms, strong shelf life, and excellent consumer appeal. They pair beautifully with poinsettias, elevate holiday displays, and give growers a reliable, low-input option for late fall through the holidays.
