

Tagawa 288 Tray Return Program

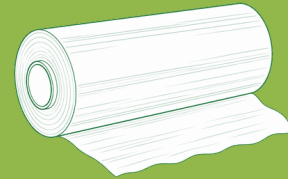

Tagawa's 288 Tray Return Program!

Together, we will tackle rising costs, reduce plastic waste, and nurture a sustainable horticulture supply chain. If you receive 500 or more Tagawa 288 trays in the spring or fall, we will pick them up.

TRAY RETURN GUIDELINES

- Only Tagawa 288 hard trays will be picked up
 - Please refrain from sending any other tray sizes
- Ensure that all trays are in good, reusable condition and free from any damage
- Trays should be securely stacked on a pallet
- Each pallet must be shrink-wrapped for safe transport
- The height of the pallets should not exceed 8 feet
- Trays with labels attached will be accepted.

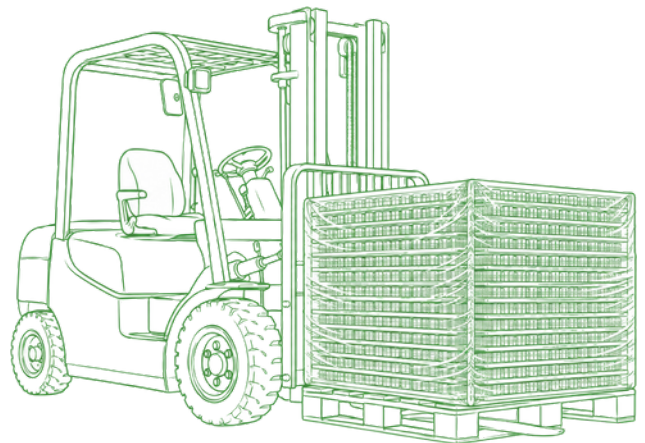

SEASONAL PICKUP WINDOWS

Spring Returns

- Pickup will take place during Weeks 20–22.

Fall Returns

- Pickup will take place during Weeks 48–50.
